PACElogic™ Roadmap

Enrollments

- Enterprise-wide single source of truth for enrollments, demographics, eligibility, etc. across CVHC

- Will feed all other systems

Provider Network Management

- Enterprise CVHC tool that will be the single source of truth for provider network data

- Reconciles provider data against national provider database

- Feeds all other systems across CVHC

PACElogic™ Roadmap

Premium Billing

- Generate 837 for states that require it (NY)

- Ingests all states 820s

- Ingests MMRs

- Manages and reconciles all Medicare and Medicaid capitated payments

- Automated Premium Billing set up via the MMR (minimizing manual data entry to set up)

Encounter Reporting

- Implementing a standardized approach to reporting of all encounters (RAPS, EDS, state encounters)

Questions submitted via conference chat will be answered and shared with participants, along with the conference slide deck, on Friday, 08/26/22. Please submit any additional questions to your Account Analyst before Wednesday, 08/24/22.
