

# Explore the Path to PACE

Establishing a PACE program requires forethought and organization. That's where CareVention HealthCare (CVHC) comes in. With more than 100 years of collective experience, CVHC is committed to making the promise of value-based care a reality.

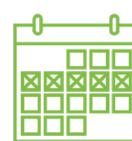

## 8 Essential Steps to Ensure PACE Success

Identify experienced PACE consultants

Determine state-level opportunities for PACE

Establish a realistic timeline

Conduct financial and market feasibility studies

Develop a business plan

Establish contracts with service providers

Recruit and train your interdisciplinary team (IDT)

Prepare and submit a PACE provider application

You're ready for PACE success!

Start your PACE journey today with CVHC.
