

PACE Is Built on Partnership

CareVention HealthCare is committed
to making the promise of value-based
care a reality

CareVention
HealthCare™ | A TRHC Division

Exploring a PACE program?
Building a PACE program?
Growing a PACE program?

We've built CareVention HealthCare for you...

For your support. For your convenience. For your success.

Expect more from your PACE partner. Work with CareVention HealthCare (CVHC) and enjoy the benefits of the most comprehensive portfolio of services for PACE organizations at all stages of development.

"CareVention HealthCare is the logical comprehensive solution to the many moving parts of PACE programs."

– Alan Sadowsky, PhD, Senior Vice President of Community-Based Services,
Palm Beach PACE, Palm Beach, FL

CVHC currently
partners with

of America's
PACE programs.

The CVHC portfolio of services fully meets the needs of PACE programs at every stage.

EXPLORE all the possibilities and design a framework to support the success of your future PACE program with CVHC expertly advising you every step of the way. Our consultants can help you with market analysis, feasibility studies, PACE application, and more—including implementing a pharmacy benefits manager to meet the unique requirements of PACE.

BUILD the program you envision. Trust CVHC for critical assistance with implementing key aspects of your operation, like personalized PACE pharmacy services, electronic health records systems, third-party administration, and risk adjustment services. We can also help with provider orientation, readiness review and support, member marketing, and everything else it takes to prepare you for your grand opening.

GROW your program to meet its full potential and thrive well into the future. CVHC has the insight and expertise to aid with both day-to-day operations, such as reimbursement, Part D management, PACE-specific reporting, and provider/medical director training, as well as longer-term initiatives like strategies for expansion.

Let's talk about where you are today and what your program needs to advance to the next stage of its success.

Whether you're exploring, building, or growing a PACE program, count on us at CareVention HealthCare for everything you need to succeed.
