Sending Directly to PrimeSuite

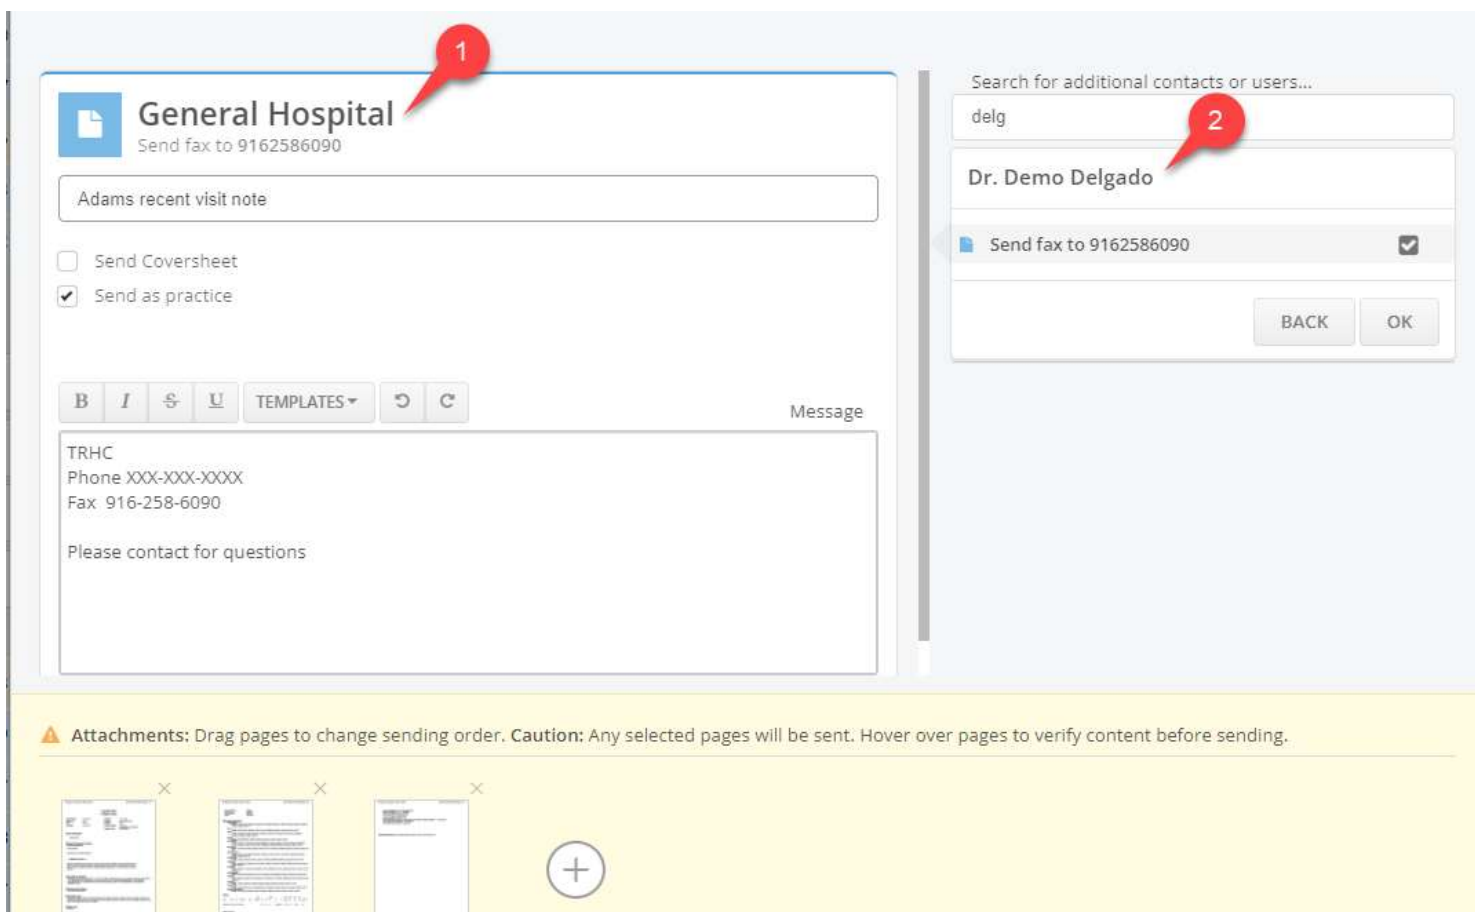

- Similar steps as importing from within PrimeSuite
- Can attach to one or multiple orders
- Can indicate signed or route as unsigned to staff members
- Can send to multiple recipients at once

The screenshot displays a web interface for selecting orders. At the top, there are two radio buttons under the heading "Destination": "Patient's Chart" (selected) and "Document Import". Below this is the "Orders" section, which includes a search input field labeled "Search...", a dropdown menu currently set to "All Statuses", and a table of orders. The table has four columns: a checkbox, a date, a name, and a status. The second row is selected with a blue checkmark. At the bottom, there is a "Category" dropdown menu set to "Imaging".

Destination	Orders
<input checked="" type="radio"/> Patient's Chart <input type="radio"/> Document Import	
	Search... All Statuses
<input type="checkbox"/>	07/11/2023 Hohmann, Joy AR... Physical therapy re-evalu... Reviewed
<input checked="" type="checkbox"/>	06/27/2023 Hohmann, Joy AR... CT scan chest, w/o contr... Ordered
<input type="checkbox"/>	06/14/2023 Hohmann, Joy AR... Cardiology Consultation Returned
Category	Imaging

Tracking

- Audit Trail
- Quick Access to Resend

The screenshot displays a fax tracking interface. On the left, a sidebar contains several action buttons: 'Send Item', 'Resend Fax', 'Archive', 'View Audit Trail', and 'More'. The 'Resend Fax' and 'View Audit Trail' buttons are highlighted with red boxes. A red dashed arrow points from the 'View Audit Trail' button to a modal window titled 'Audit Trail For Testing fax'. The modal window contains three tables of data. The first table shows the fax creation status, the second shows the delivery and viewing status, and the third shows the testing status. A 'Print Audit Trail' button is located at the bottom right of the modal.
